

## The Transferware Collectors Club Announces the 2017 Annual Meeting Scholarships

In 2016, the TCC Board of Directors initiated a scholarship program to encourage and enable the participation of young professionals at the 2016 Annual Meeting in Charlottesville, Virginia. Based on the success of the inaugural program, the Board of Directors has again approved funding to provide scholarships for one or more graduate students or young professionals working in the decorative arts, archaeology, historic preservation, or other ceramic-related fields, to attend the 2017 Annual Meeting in Phoenix, Arizona. Each scholarship will cover the full cost of registration as well as a stipend to assist with hotel and travel expenses.
