

Woolley and Wallis Salisbury Salerooms

has announced their upcoming auction of

ENGLISH & EUROPEAN CERAMICS & GLASS

Tuesday 23rd May at 10.30am

The Doug Godden Collection of Mason's China is one of the most significant collections of this under-rated factory to appear on the market and covers the early porcelain wares of Miles Mason through Charles Mason's patented Ironstone, to the factory's dying years in the mid-19th century.

Members: Transferware items can be found beginning with lot 200.
