

## TCC ANNUAL MEETING: BIRMINGHAM, AL OCT 17-20, 2019

### MEETING ACTIVITIES SPOTLIGHT

#### *THE SHOW AND DISCUSS SESSION, THE TRANSFERWARE SALE, AND THE JUMBLE TABLE*

Every TCC Annual Meeting takes place in a casual atmosphere, where attendees are encouraged to visit and connect with friends old and new. This collegial gathering offers many opportunities to engage in activities; share information, stories and treasures; and to learn from one another. Three special features of the Annual Meeting are specifically designed to foster this casual, active engagement: the Show and Discuss Session, the Transferware Sale, and the Jumble Table.

#### **Show and Discuss**

After dinner on Friday evening, October 18, meeting participants will gather for an informal Show and Discuss Session. Members are invited to bring up to two items that they would like to share with others, and are encouraged to bring unusual, interesting, and “mystery” items. Enjoy this casual evening with fellow collectors; learn more about transferware from member experts; and share tales of transferware quests and finds.

#### **Transferware Sale**

This anxiously awaited annual event, open exclusively to TCC members, will be held on Sunday afternoon, October 20 in the spacious Ridgeley Room of the Tutwiler Hotel. Member-dealers will be offering a wide array of transferware items of exceptional quality, enabling meeting participants to add exquisite treasures to their personal collections.

#### **Jumble Table**

The Jumble Table component of the Transferware Sale provides non-dealer members with a perfect opportunity to sell transferware and related reference books and prints from their collections. The process is easy! Just fill out a simple form and our jumble table coordinators will collect and display the items and facilitate the sales. Attendees may place up to five items for sale on the Jumble Table for a nominal fee per item. Bring items to sell and make room for new treasures!

Need a registration form? Just go to [www.transferwarecollectorsclub.org](http://www.transferwarecollectorsclub.org).
