

Raffle Donations Requested!

The *Transferware Raffle* has become an important fund raising activity for the TCC Annual Meeting and it will again be a feature of the meeting in Birmingham. Proceeds are used to support the club's educational mission. Last year's raffle in Providence produced more than \$1,800! Please help us to meet or exceed that goal for this year by donating items. We seek a variety of beautiful transfer-printed wares, in many different forms, patterns and colors. Each item or group of items should have a retail value of \$200 or more and be in very good condition. To make your donation, please contact Frank Davenport at frankdhaddonfield@outlook.com.
