

REGIONAL MEETING

San Francisco Area, California

Saturday, May 21, 2011

Diane Brooks and Judie Siddall are planning a TCC Regional Meeting in Alamo (located east of San Francisco Bay), California on Saturday, May 21, 2011. Although the meeting is intended for people in the Western States, all TCC members are very welcome. There is no charge for this meeting.

The afternoon meeting will begin at 1:30 pm at Diane's house. Diane will give us a tour of her lovely home and extensive transferware collections. She will explain how she creates and displays transferware vignettes. We will share our favorite transferware items for show and tell and end with a show, sale and swap (display limit, 10 pieces per member). Light refreshments will be provided.

As an added bonus, Pat Halfpenny, author, ceramic historian, curatorial advisor, and former curator of ceramics and glass at the Winterthur Museum in Delaware, will be joining us. Pat will be giving a lecture the following morning at the San Francisco Ceramic Circle, and we are all invited to attend. Her talk is titled "Success to America: English Pottery for the Patriotic American Market".

Space is limited, so please let us know by May 6, 2011, if you intend to come.
