

ANNUAL MEMBERSHIP RENEWAL 2016-2017

The Transferware Collectors Club Mission is to educate all interested parties about British transferware and to serve as a forum for sharing information and interests among collectors, dealers, scholars, historians, archeologists, and those that simply appreciate the beauty and technical proficiency of British transferware. Remembering the club in your will or living trust can help to ensure that the valuable programs the club has established will continue and grow. These key programs include:

Transferware Central: An Interactive Web Site filled with valuable content and fresh news about collecting transferware and the pottery industry

The Database of Patterns & Sources with thousands of published patterns and hundreds of source prints that continues to grow daily

TCC Bulletin published quarterly in full color and filled with great articles from an international group of researchers

Interactive Online Exhibitions dedicated to educating and informing a broad, world-wide audience about transferware

Research Grant Program resulting in quality, published research

Keynote Guest Speaker Program that brings highly respected and talented speakers to annual and regional events to share their knowledge of transferware

Annual Meeting bringing members together for information sharing, educational excursions and an opportunity to purchase transferware

Dear Transferware Collectors Club Member,

The TCC annual membership runs from July 1 through June 30 each year. In spite of rising postal costs, I am pleased to say that the Board of Directors has decided to maintain current rates at least for the upcoming year: Dues are **\$50** for members living in the U.S. and **\$60** for all international members. Memberships are for up to two members in a household.

If you are a new member who joined after April 1, you will not need to re-new your membership until the following year.

When you join the TCC, I hope you will also consider a supplemental donation that will help to support the continuing development and maintenance of the club's valued activities and services which are highlighted here on the left. Along with continued growth in membership, it is your generous donations that help the club to maintain a strong financial position.

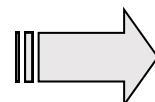

Becoming a member and making a donation are easy. Simply complete the form on page two and mail your check to the address provided on the form. You may also choose to pay online through PayPal. To do so, you will find a membership form on the TCC web site.

On behalf of all TCC members, I wish to welcome you once again to the club and thank you for your membership and support!

Sincerely,

JoAnne Jones
Membership Chair

Please renew your membership today!
