TCC Membership Benefits

The TCC Bulletin:

Receive the current and all archived bulletins for free. This publication features articles concerning transferware, new discoveries, visits to significant collections, book reviews and anything else the membership decides it wants to print.

Pattern and Source Print Database:

Full access to our database. This database contains thousands of patterns and hundreds of source prints. See the home page for current amounts.

Invitations to our Meetings and Seminars:

Attend our regional meetings, exhibitions and educational seminars. There will be an annual meeting for the election of officers, where we will have swap meets, auctions, lectures and other exchanges of both transferware and information, and a big transferware sale.

Membership Roster:

Members have access on this site to a listing of all current TCC members. This is for non-commercial use only. Members have the option to opt-out of this roster.

Constantly Updated Website:

The TCC website provides numerous resources for the transferware collector and researcher, including articles, books, news, and resources.
